November 2024

Dear Parents and Carers,

### **2025 BBPS School Council Parent Payment Letter**

Brighton Beach Primary School is looking forward to another great year of teaching and learning and would like to advise you the voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary and at your discretion.

Your valued contributions ensure all students are challenged and supported at the level we have come to expect. We ask that you please consider paying the non-compulsory contributions where you can. Your support enables significant additions well above the 'standard' curriculum.

- The DET average class size is 26. The average class size in 2025 at BBPS will be 20. Smaller class sizes mean our teachers can provide more individualised attention to every student.
- Well resourced student wellbeing: the explicit teaching of social and emotional learning. Feeling safe and secure in a supportive environment, directly impacts each child's capacity to achieve their academic potential.
- Maintaining qualified first aid practitioners and a fully functioning sickbay on site for the health and wellbeing of all students.
- Ongoing upgrades and maintenance to buildings and indoor learning spaces – e.g. the installation of split systems replacing gas heaters, glass entry door upgrades to CLC classrooms, bathroom floorcoverings and a new electric stove in the canteen.
- Grounds maintenance and upgrades, including servicing of playground equipment and outdoor learning spaces for shade compliance and safety. Tree arborists and landscaping services, edging and sandpit maintenance.
- Fully functioning School Library, Visual Arts, Performing Arts and indoor sport facilities.
- Additional research-based student wellbeing programs such as The Resilience Project.
- Academic subscriptions such as Mathletics, Junior Elementary Maths Mastery, Spelling Mastery, Literacy Planet, Wushka.
- Additional literacy resources to provide decodable texts for all class levels, classroom libraries, book club texts.
- ICT programs, classroom devices, software updates and ICT infrastructure maintenance.

Please note costs associated with incursions/excursions/school camp are 'user pays' contributions for external providers who conduct enrichment programs to add to or enhance the curriculum focus.

For further information on the Department's School Saving Bonus which is available to all parents and carers of Victorian government school students, more communications to come throughout November.

Kind Regards,

Beverley May

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
